Depth: 110mm
Height: 212mm

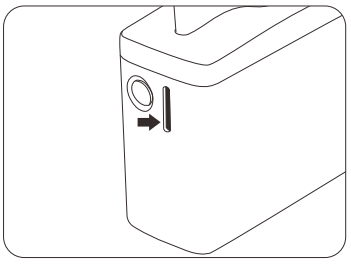

Key Features

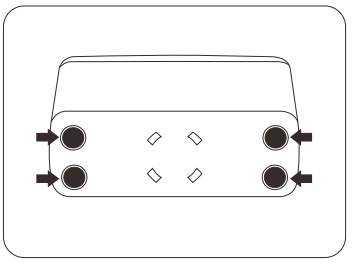

-Durable Construction:
Made of high-quality plastic for long-lasting use.

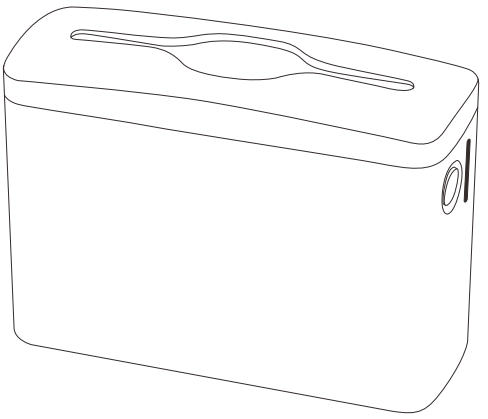

-One-Towel Dispensing:
Dispenses one towel at a time, enhancing hygiene and minimizing waste.

-Window Viewing:
A small window on the side allows you to easily monitor the remaining towels.

-Non-Slip Base:
The non-slip bottom keeps the dispenser securely in place, preventing it from toppling over.

Product Overview

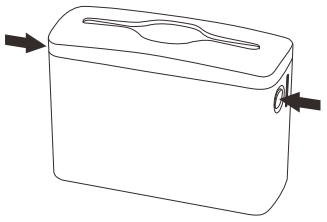

The Countertop Multifold Hand Paper Towel Dispenser is a practical and stylish solution for your hand towel needs. Made of tough and durable plastic, it is designed to dispense multi-fold paper towels, improving hygiene while reducing waste.

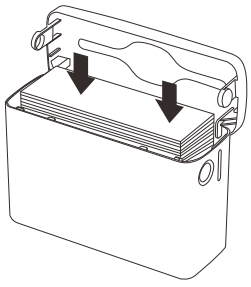

Versatile Use:

Ideal for homes, restaurants, schools, offices, and other public facilities.

Assembly Instructions

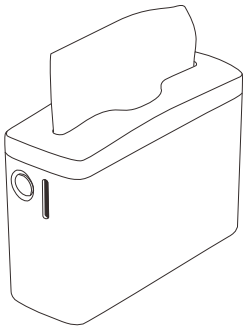

①Open the Lid:
Press and hold the buttons on both sides of the dispenser.

②Load Paper Towels:

Lift the top lid and insert your multi-fold paper towels into the compartment.Make sure they are loaded neatly for smooth dispensing.

③Close the Lid:

Close the top lid firmly after loading the towels.

Using the Dispenser

Dispensing Towels:
Pull a towel from the opening. The dispenser is designed to release one towel at a time for hygienic use.

Monitor Towel Levels:
Check the window on the side of the dispenser to see when it's time to refill.

Care and Maintenance

-Cleaning:
Wipe the dispenser regularly with a damp cloth to keep it clean and free of dust. Avoid using harsh chemicals that could damage the plastic.

-Refilling:
Refill the paper towels as needed to ensure continuous operation.

Safety Notes

-Only use multi-fold paper towels with this dispenser to ensure proper functioning.

-Keep the dispenser away from heat sources to avoid deformation.
